

MILO SHAPIRO and his **TEAM**provising™ workshops

Build productive, positive work relationships using the fun of IMPROV exercises!

★ Improve communication!

Improv teaches us to listen carefully, build upon the ideas of others, and recognize body language cues.

★ Teambuilding! Problem Solving!

While it's *outrageously* fun throughout, the focus keeps coming back to how we can improve our work and client relationships. All of the exercises reinforce our **5 C's of Teamwork**.

★ Boost sales!

Learn to read your clients. Tap into your creativity to find the right approach for each person for closing that deal.

"TEAMprovising™ changed us from task-focused individuals to a dynamic work-team ready to excel."

- Sempra Energy

"They rated themselves closer as a team... impressive achievements after just one day!"

- Computer Sciences Corporation

Apply the **ABC's** of improv to business

Accept the ideas of others
Build on what others offer
Communicate clearly
